Beginning **July 1, 2009**, any firm that wishes to perform work on Division Purchase Order Contracts as either the prime contractor or as a subcontractor on the project must be prequalified for the type work they wish to perform. Firms that wish to bid on these projects as the prime contractor must be prequalified prior to submitting your bid. Firms that wish to perform as a subcontractor to the prime contractor must be prequalified prior to beginning work on the project.

Information regarding the requirements to become prequalified as a Purchase Order Contract contractor, including the application to become prequalified if you are not already prequalified, can be found at the following website:
<http://www.ncdot.org/business/howtogetstarted/>.

If you are unsure as to whether your firm is currently prequalified by the Department by the Contractual Services Unit, a search of the Directory of Transportation Firms can be performed at the following website: <https://apps.dot.state.nc.us/vendor/directory/>.

The North Carolina Department of Transportation, in accordance with the provisions of Title VI of the Civil Rights of 1964 (78 Stat.252) and the Regulations of the Department of Transportation (49 C.F.R., Part 21), issued pursuant to such act, hereby notifies all bidders that it will affirmatively insure that the contract entered into pursuant to this notice will be awarded to the lowest responsible bidder without discrimination on the grounds of sex, race, color, or national origin.

Proposals may be obtained online at:
<http://www.ncdot.org/doh/operations/division13/notice/default.html> or from Josh Wortman, Staff Engineer at 55 Orange Street, Asheville, North Carolina. Please refer to the WBS element referenced when making requests or inquiries regarding this project. If you have questions, or need additional information concerning this project, please contact Mike Penland, Division Design Construct Engineer, at (828) 251-6171.

Sincerely,

M.K. Calloway
